

air-admittance valve DallVent Maxi, DN 70/DN 90/DN 100

Part number: 850409
GTIN: 4001636850409
Rebate group: 4

Description:

air-admittance valve DallVent Maxi, DN 70/DN 90/DN 100
conforming to EN 12380
for internal venting of soil and waste systems

specification:

- removable insect screen
- integral thermal insulation (frost proof to -20°)
- lip seal for connection to DN 70, DN 90 and DN 100 vent pipes

material:

ABS/PP

air flow capacity 32.7 l/s

classification A1 (table 1, EN 12380)
